Senior Recital
Ryan Krapf, Clarinet
Patricia Foltz, Piano

I would like to take this opportunity to thank all of those people who have helped me get to where I am. I would like to thank my parents, my brother, my sister and my grandparents for always being there for me at home and pushing me to be the best I can be. To Aris, for always making me strive to be a great clarinet player and always caring. To my friends, for always taking the initiative to make me a better person and for always being there for me in whatever situation my raise. A special thanks to the jazz band. Mr. Boitis, it was an honor to have you help us and I will never forget the experience of working with you. I can honestly say that I have learned from some of the finest musicians in the world.

Thank you all.

This recital is in partial fulfillment of the degree of the graduation requirements for the degree of Bachelor of Music Education.
